You may register to receive JDE Peet's corporate news and financial updates on our JDE Peet's website. Please note that we require certain data (your email address, first name, last name, country and organisation at the minimum) to complete the registration.

We will only send you the updates if you have given us your express consent in accordance with Art. 6 (1) 1 a GDPR. After you have completed the newsletter registration on our website, you will receive a confirmation e-mail at the e-mail address you provided (double opt-in). Information that you voluntarily provide to us (data fields that are not marked with an \*) is processed on the basis of your consent in accordance with Art. 6 (1) 1 a GDPR. You declare this consent by sending the form.

You may withdraw your consent at any time. An easy way to withdraw your consent is, for example, to use the unsubscribe link provided in every update.

Your data and your preferences are stored until you withdraw your consent. We delete your data 2 years from the date of data collection or the last contact (request for information or click on a link in an email).

As part of the newsletter registration process, we store certain data in addition to the above mentioned data, as far as it is necessary to prove that you have registered for our updates. This may include storing the complete IP address at the time of registration or confirmation of the newsletter, as well as a copy of the confirmation email sent by us.

The legal basis for the data processing is our legitimate interest to be able to account for the legality of the newsletter delivery according to Art. 6 (1) 1 f GDPR.

More information about data processing and your privacy rights can be found in our <privacy policy> (include link).
